## *The Dance of Authenticity through the Wisdom of the Horse*

*With Kathy Pike*

Horses naturally bring you deeper into your heart to illuminate your path. As highly sensitive animals, horses teach us to listen to our inner messages. They mirror back to us our strengths and weaknesses. By learning and living the language and “way” of the horse, your true-self is revealed. Horses teach humans how to become more emotionally, spiritually and mentally agile and aware.

Take this course if you are ready to:

- Deepen your relationships (with both horse and human)
- Access your intuition and inner wisdom
- Connect to your authentic self during times of transition
- Learn tools to manage your energy and emotions and achieve inner freedom

The majestic nature of horses is a transformational learning experience for humans. During this program you will interact with horses, develop relationships, become part of the herd, and engage your authentic self along the way.
